

Hotel Creston Ltd. COVID-19 Policy Statement

Creston Hotel & Jimmy's Pub will continue regular operations during the COVID-19 outbreak whilst taking in consideration extra precautions as advised by Public Health Authorities. Our number one priority is to provide a safe working environment for our patrons & employees so we can continue to provide products and service to our valued customers.

What we expect from our Customers

Do not enter if you have any signs of fever or cough

Do not enter if you have been out of country in the past 14 days

Please walk in direct lines to your table and restrooms

No parties over 6 people and maintain your distance from others

What we're doing:

Tables have signage to indicate if they are clean or dirty and self-seating is available for cleaned tables only

A Host may seat guests & obtain their email or phone #

Servers will leave food & drinks at an empty space on the table to allow patrons to pass around their orders

Providing one-time-use condiments & spices and sanitizing any items that are re-used in between guests

Extra sanitation practices such as: cleaning bathrooms & high-touch areas frequently

Allowing limited capacity in the building that enables distancing

All staff that cannot maintain social distancing will wear masks

We have asked any employees or customers to stay home with signs of illness
