

Hotel Creston Ltd. COVID-19 Policy Statement

Creston Hotel & Jimmy's Pub will continue regular operations during the COVID-19 outbreak whilst taking in consideration extra precautions as advised by Public Health Authorities. Our number one priority is to provide a safe working environment for our patrons & employees so we can continue to provide products and service to our valued customers.

What we expect from our Customers

Do not enter if you have any signs of fever or cough or have been out of country in the past 14 days

Guests are asked to sign-in upon arrival and provide one contact for your party

Please wear a mask while not seated at your table

No parties over 6 people and maintain your distance from others

What we're doing:

All employees in the building will wear a mask

Staff will seat you at a table which has been properly sanitized

Servers will leave food & drinks at an empty space on the table to allow patrons to pass around their orders

Provide one-time-use condiments or sanitize items that are re-used in between guests

Extra sanitation practices on high-touch areas

Reduced capacity in the building that enables distancing

We have asked any employees or customers to stay home with signs of illness
